MUMBAI, India, April 23, 2026 /PRNewswire/ -- In a monumental demonstration of how education can extend far beyond the four walls of a classroom, Ryan Group of Schools, in partnership with global educational platform Upschool.co and environmental organization Grow-Trees, announces the successful plantation of 29,530 mangrove trees in the ecologically sensitive Sundarbans.

Driven by the shared vision of Dr. Snehal Pinto, Director of Ryan Group, and Gavin McCormack, Co-founder of Upschool.co, this initiative represents a paradigm shift in modern education—one where academic learning is deeply intertwined with global responsibility and meaningful action.

Under the banner of the "Trees for Tigers®" initiative, 29,530 students took on a unique and empowering challenge titled: "100 Ways to Earn ₹100 to Plant a Tree." Rather than simply asking for donations, students took absolute ownership of the project. They raised the necessary resources through creating and selling handmade or unused items, and comm... as transformed a
